

Counselling Together

Service Manager

Counselling Together is the largest Christian Counselling service for the churches and communities of the New Forest Area. We are a registered charity operating in local churches offering counselling services to individuals and couples.

We have an exciting opportunity for a Service Manager to join the team and help manage the overall delivery of the charity.

The Service Manager works in partnership with the Counselling Manager. The role reports to the Trustees, provides administration for the team and takes operational responsibility for the service. There is direct management responsibility for a part-time Bookkeeper.

The essential tasks in the role require an average time commitment of 6-8 hours per week. This can fluctuate with projects and initiatives. Payment of £16 per hour and agreed expenses will be made.

Details of our counselling services are available on our website
